Monica –

Attached is corrected FAR memo – although the schedule is a bit in the air, that'd be good if we could get it out today,

Cindy - My only comment is the word “observed” in your second comment is misspelled. Otherwise, looks great!

Does this need to be signed today?

Attached for your review is a draft of the R8 FAR memo for the NSPS OOOOa revisions to be proposed as part of the "policy package" (separate from the "technical package" which is on its way to Final).

Let me know if you've questions, edits, etc.

Subject: RE: NSPS OOOOa - 'Policy Package' FAR Meeting Delayed to 4/4

There has been a delay in the FAR for the 'policy package'. The rule-writing team met with the Administrator and he wanted to make sure that this rulemaking give AA-ships an opportunity in 'Option Selection' before the FAR, which typically would occur much earlier in the process.

The FAR has been rescheduled for April 4, 10am MT. I will be on holiday so I think Monica will sit in for R8 to say we 'concur with comment'. **Right, Monica?** I will write the FAR memo with one comment (see email below) after the FAR meeting (OAQPS's Hambrick said that is fine).

Ex. 5 Deliberative Process (DP)

I will be working through Friday this week and then out until Tues, 4/9.

Megan – Will you be giving Deb Thomas a heads up about incoming meeting invitation for ‘Option Selection’?

Megan –

As you know, the revisions to the NSPS OOOOa oil & gas rule, is happening in two packages. The “Technical Package” has been proposed and the public comments received are being responded to now.
